Reply. More. The best of British is an old-fashioned sort of concept now, especially in the days of coronavirus as the four nations of the not so United Kingdom deal with it in distinctive ways. I grew up British but we have separated over the years which saddens me so I'm glad to see the notion preserved in this anthology series featuring the best SF produced by British writers ...

This is the second Best of British Science Fiction that I've read with Best of British Science Fiction 2018 being my first. In my opinion, British writers are more subtle than their American counterparts. Several times in reading the Best of British Science Fiction 2019 anthology, I found myself contemplating the I had just read.
