Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

### Donald Murray Craft Of Revision

(Donald M. Murray, The Craft of Revision, 5th ed. Wadsworth, 2003) Fixing the Mess "Revision is a grand term for the frantic process of fixing the mess. . . . I just keep reading the story, first on the tube, then in paper form, usually standing up at a file cabinet far from my desk, tinkering and tinkering, shifting paragraphs around, throwing ...

While the future cannot be predicted with certainty, present understanding in various scientific fields allows for the prediction of some far-future events, if only in the broadest outline. These fields include astrophysics, which has revealed how planets and stars form, interact, and die; particle physics, which has revealed how matter behaves at the smallest scales; evolutionary biology ...
