Face the reality that no one is perfect. We are human and humans are imperfect.

Expecting yourself to be perfect is a recipe for depression. Instead of trying to be perfect at everything, learn to accept failure as a learning process and just commit to trying your best.

To align someone with reality, don't just look for cosmetic solutions. Get to the root of the problem. Find the gap in knowledge which leads to the negative action. What is the core issue holding him back? Look for the single strategic move that will turn him around, release his potential, and get him moving in the right direction.
