Chemistry guide

Your IB Chemistry Course Book contains different styles of questions. All of the questions in your Course Book are relevant to the new Chemistry Guide (first examination 2016), however the data used in some of the mark schemes come from the IB's Chemistry Data Booklet for the prior syllabus (2009). We haven't altered any mark schemes published by the IB, as a consequence, some questions from previous Chemistry Guides, if calculated using the Chemistry Data Booklet for first examination 2016 ...
