functions and the legal personality of international organizations. It also discusses conceptual issues facing international and regional organizations, such as competence of organizations, responsibility of international organizations, privileges and immunities, membership, dissolution and succession of international organizations.

## **International Organizations - Ethiopian Legal Brief**

The declaration of the right of the child, adopted in 1959, was hardly implemented. More importantly, thanks to new scientific knowledge, and the 60s youth and civil rights movements, the international public opinion evolved a lot. Shifting away from the principles of the declaration. In 1979, the UN held the International Year of the Child.
