Overstreet, as its name implies, is a 'Price Guide', I understand this to mean that it gives a framework for determining basic values for given comics over a period of time. Since values are complex and affected by psychology and other market forces, short of price fixing by the government (which would be disastrous in the long run), there is no objective fixed price for any comic.

The Overstreet is a guide for keys and non-keys alike. It helps flesh out first self-title or first full appearance, etc. I consider it the arbiter of the different comic book ages (Is my comic book Modern Age, or Bronze Age, and is it in the top 20 for that age?). Do you need to know the top 100 Golden Age books or the top 10 books by genre?
