Paper Folding Art

Iris Folding is a very simple art that involves an opening in a card, such as the flower or the hummingbird above, and then folding scraps of paper, wrapping paper, envelope linings, ribbon or foil to 'fill' in the larger open area. Talk about great recycling! Our mountains of paper trash are overwhelming us.

Origami is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished sculpture through folding and sculpting techniques. Modern origami practitioners generally discourage the use of cuts, glue, or markings on the paper. Origami folders often use the Japanese word kirigami to refer
