About the Suzuki Method. Traducción al español. Every Child Can Learn. More than fifty years ago, Japanese violinist Shinichi Suzuki realized the implications of the fact that children the world over learn to speak their native language with ease. He began to apply the basic principles of language acquisition to the learning of music, and called his method the mother-tongue approach.

### **About the Suzuki Method | Suzuki Association of the Americas**

The Suzuki violin method can be a polarizing topic in the music world, as there are many different opinions on it. While some argue that the method helps children develop a high level of playing ability, others say it doesn't teach students proper violin techniques.
