[DOC] Proton Exora Manual Review

By now, you would have probably seen about 20 different video reviews online and maybe about 5 written reviews on the facelift Proton Exora. Launched just yesterday morning about 11 am in the morning with great fanfare, this 10 year old product has been given a few nips and tucks the past 10 years.

Proton Exora 2019, the 'kurang manis' test drive review

The Proton Exora is a compact MPV produced by Malaysian car manufacturer Proton. It became Malaysia's first home-grown MPV upon its release on 15 April 2009. The Exora is the first Proton to be based on the new P2 platform, and its facelift revision which debuted on 15 December 2011 became the first Proton to use the new CamPro CFE turbocharged engine and CVT technology.

Proton Exora - Wikipedia

Our Proton Automotive repair manuals are split into five broad categories; Proton Workshop Manuals, Proton Owners Manuals, Proton Wiring Diagrams, Proton Sales Brochures and general Miscellaneous Proton downloads. The vehicles with the most documents are the Persona, Other Model and Exora.

Proton Workshop Repair | Owners Manuals (100% Free)

The redesigned instrument cluster and centre console look modern enough while the voice-activated touchscreen infotainment, which responds to 'Hi Proton' and backed by free internet for five years, is a nice touch. The old CFE turbo still packs a decent drive and the Exora's ride is pretty good too.

TopGear | Review: 2019 Proton Exora RC Premium - RM66,800

Thoughtfully crafted Proton Exora ergonomic seats for first-class comfort — perfect even for long-distance family road trips. Boldly designed illuminated black fascia Proton Exora meter display. It gradually lights up when the Proton Exora comes to life. Proton Exora Design with practicality and convenience in mind. Power window controls are alongside pockets and bottle holders.
