The Power Elite - Paperback - C. Wright Mills - Oxford ...

In the wake of World War II and in the midst of the Cold War era, Mills took a critical view on the rise of bureaucratization, technological rationality, and the centralization of power. His concept, "power elite," refers to the interlocking interests of elites from three key aspects of society—politics, corporations, and the military—and how they had coalesced into one tightly knit power center that worked to reinforce and steward their political and economic interests.

The Power Elite by C. WRIGHT MILLS – SIGNED Association ...

In The Power Elite, Mills made explicit his belief that the American doctrine of balances of power is an ideal showing less vigor today than was true in the past. According to Mills, there is a power elite in modern societies, an elite who command the resources of vast bureaucratic organizations that have come to dominate industrial societies.

C. Wright Mills On the Power Elite

The power elite theory, in short, claims that a single elite, not a multiplicity of competing groups, decides the life-and-death issues for the nation as a whole, leaving relatively minor matters for the middle level and almost nothing for the common person. It thus paints a dark picture.
